

## Financial Controller

*Would you like to join DOVISTA A/S and support the company growth strategy towards becoming genuine and leading supplier of windows and doors in North Europe, working alongside dedicated professionals in times of change?*

### THE POSITION

Based in our Headquarter in Horsens, we are looking for an experienced Financial Controller to join the Financial Controller team under Reporting and Compliance.

Focus is to help lift the bar on the integrity, accuracy and completeness of our financial reporting, while at the same time driving a global mindset- and efficiency agenda across the DOVISTA Group.

You will quickly build a professional network through daily exposure with a wide range of functions and geographies within the DOVISTA Group.

Success will be judged on your ability to create lasting positive impact inside the global finance function and the way we deliver towards our stakeholders.

### KEY RESPONSIBILITIES

Your main area of responsibility will be:

- Financial controlling of COGS, price variances, inventory, freight and service production including understanding the internal trade flow for DOVISTA A/S
- Being a competent advisor on accounting and reporting questions both within finance and towards stakeholders in other functions
- Driving and implementing global alignment on how we do best practice financial controlling challenging as-is
- Participating in projects representing Financial Controlling

### DO YOU HAVE WHAT IT TAKES?

Competencies:

- As a person we expect you to have an analytical approach going from the big picture down to details
- You have a desire to understand the transactional flow behind the postings
- You take ownership and lead the way but know that the best results come from a team effort and working proactively.

- You thrive in a position where you are exposed and working with a broad part of the global organization.
- Continuous learning and keeping an open mind with an eye for improvement opportunities are natural elements of your work life.
- You enjoy working towards a goal and thrive in a busy environment with changing priorities.

Qualifications:

- You hold a relevant financial degree, e.g. Master's degree or Graduate Diploma (HD) in Accounting or equivalent.
- You have at least 3+ years of experience within financial reporting or controlling.
- You are good at excel and proficient in the use of BI analytical tools.
- Knowledge of SAP is a clear advantage.
- Experience as a trainer and/or doing presentations is an advantage.
- English at business level is a prerequisite.

### BECOME PART OF FINANCIAL CONTROLLING

We focus on the individual's development and the right candidate will have broad possibilities to further develop his/her competencies under Reporting & Compliance in an environment characterized by change and continuous improvement.

### LOCATION

DOVISTA A/S  
Bygholm Søpark 23
