

## Group Reporting Manager

*Would you like to join DOVISTA and sharpen your accounting & controlling expertise alongside dedicated professionals in times of change?*

### THE POSITION

Based in our Headquarter in Horsens, we are looking for a competent Group Reporting Manager to join our team as we aspire to be the front-runners in activities related to financial reporting and accounting across the DOVISTA Group. You will quickly build a professional network through daily contact with a wide range of departments across functions and geographies within the DOVISTA Group. As Group Reporting Manager, you will become a key team player and your role primarily will be to ensure integrity, accuracy and completeness of financial statements.

### KEY RESPONSIBILITIES

Your area of responsibility will be comprehensive and among other things include:

- Effectively executing the financial reporting processes at the group level.
- Completing and securing correct and unbiased financial reporting to key decision-makers.
- Being a competent advisor on accounting and consolidation issues for different businesses' finance and reporting functions.
- Participating in the preparation of the Group's monthly and annual reports.
- Drive changes in Group reporting from a controlling and reporting point of view.
- Conduct and participate in Controlling visits across the DOVISTA Group.
- Preparing and updating accounting and reporting instructions according to the Danish Financial Statements Act and our owner VKR Holding.
- Driving and ensuring execution of ad hoc initiatives and participation in projects.
- Challenging the existing processes to improve and reduce non-value adding activities.

### DO YOU HAVE WHAT IT TAKES?

We expect you to produce high-quality results and have an eye for detail. You must be able to work independently and in teams, and act as a proactive, knowledgeable and confident advisor to various stakeholders in DOVISTA.

- You hold a relevant financial degree, e.g. Master's degree or Graduate Diploma (HD) in Accounting or equivalent.
- You have at least 5 years of experience in financial reporting or controlling and/or as an auditor of large/medium-sized companies.
- You have strong functional knowledge of the Danish Financial Statements Act and consolidation.
- You can identify potential issues associated with unusual or complex transactions and review and approve the appropriate treatment.
- Knowledge of SAP and HFM/Hyperion is an advantage.
- You enjoy working towards a goal, taking ownership of your assignments and thrive in a busy environment with changing priorities and able to multi-task.
- As you will work with colleagues from all of Europe, fluency in English is a prerequisite.

### BECOME A PART OF GROUP REPORTING & COMPLIANCE

We focus on the individual's development and the right candidate will have broad possibilities to further develop competencies in financial reporting in an environment characterized by change and continuous improvement.

### LOCATION

DOVISTA A/S  
Bygholm Søpark 23  
8700 Horsens
